

How do I choose my subjects?

00:00:00.000 --> 00:00:05.000

(Graphic of young person and the title How do I choose my subjects?)

00:00:05.000 --> 00:00:09.000

Choosing the subjects, you will study for the next few years is a big decision,
(Graphic of young person sat by desk)

00:00:09.000 --> 00:00:11.300

so, it's important not to rush it.
(Graphic of young person sat by desk)

00:00:11.300 --> 00:00:13.300

So, how do you choose?
(Graphic of young person sat by desk. Icons appear representing school subjects)

00:00:14.250 --> 00:00:16.160

Knowing what you're like as a person
(Graphic of young person sat by desk. Icons appear representing school subjects)

00:00:16.160 --> 00:00:19.160

can help you to choose what subjects will suit you.
(Graphic of young person sat by desk. Icons appear representing school subjects)

00:00:20.000 --> 00:00:22.030

Start to think about:

00:00:22.030 --> 00:00:24.000

Your interests

00:00:24.000 --> 00:00:27.190

Do you like learning about different cultures and languages
(Graphic of young person with mountains and lama appearing in the background)

00:00:27.190 --> 00:00:30.000

Do you like to be creative?
(Graphic of young person with paint brush with art shapes in the background)

00:00:30.280 --> 00:00:33.000

How you learn best
(Graphic of young person mixing a bowl in a kitchen)

00:00:33.000 --> 00:00:36.000

Do you like to be active and practical?
(Graphic of young person mixing a bowl in a kitchen)

00:00:36.000 --> 00:00:38.020

Do you enjoy reading and researching?

(Graphic of young person sitting by desk on computer, bookshelf in the background)

00:00:42.100 --> 00:00:43.260

You enjoy them

(Graphic of young person sitting by desk on computer, bookshelf in the background. Text appears You should choose subjects because.....)

00:00:43.260 --> 00:00:47.170

You're more likely to do well in subjects you are interested in

(Graphic of young person sitting by desk on computer. Heart icons come out of computer screen)

00:00:48.060 --> 00:00:50.130

You're good at doing them

(Graphic of young person sitting by desk on computer. Thumbs up like icons come out of computer screen)

00:00:50.130 --> 00:00:52.010

If you're doing well in a subject now

(Graphic of young person sitting by desk on computer. Thumbs up like icons come out of computer screen)

00:00:52.010 --> 00:00:55.160

then you're likely to get a good grade at the end of year 11

(Graphic of young person sitting by desk on computer. Thumbs up like icons come out of computer screen. Large letters appear on the screen A, C, B A*)

00:00:56.150 --> 00:00:58.070

Choose subjects because

(Graphic of young person sitting by desk on computer. Thumbs up like icons come out of computer screen. Large letters appear on the screen A, C, B A*)

00:00:58.070 --> 00:01:00.000

It suits your career idea.

(Graphic of young person sitting by desk on computer. Thumbs up like icons come out of computer screen. Large letters appear on the screen A, C, B A*)

00:01:00.00 --> 00:01:04.050

(Large text appears You shouldn't choose a subject because....)

00:01:04.050 --> 00:01:06.020

Your friends are taking it.

(Graphic of 3 young people)

00:01:06.020 --> 00:01:08.050

What works for them, might not work for you.
(Graphic of 3 young people)

00:01:10.017 --> 00:01:14.020

You think it's a subject 'for the boys' or 'for the girls'.
(Graphic of young boy with icons of school subjects circling him. Graphic of young girl with icons of school subjects circling him)

00:01:14.020 --> 00:01:19.010

Don't narrow down your career choices in the future because you think like this.
(Graphic of young person with icons of school subjects circling them)

00:01:19.010 --> 00:01:24.020

If you enjoy and are good at a subject, then you can study it!
