

00:00:00.000 --> 00:00:10.000

(Graphic of young person standing next to text My subject options and Careers Wales logo)

00:00:10.000 --> 00:00:11.280

Now's the time to start thinking

(Graphic of young person thinking. Icons related to subjects appear above him)

00:00:11.280 --> 00:00:13.090

about what subjects to study

(Graphic of young person thinking. Icons related to subjects appear above him)

00:00:13.090 --> 00:00:14.500

over the next few years.

(Graphic of young person thinking. Icons related to subjects appear above him)

00:00:18.500 --> 00:00:21.500

In year 9 (year 8 in some schools)

(Icons related to subjects appear on full screen)

00:00:21.500 --> 00:00:23.500

you will get to choose some the subjects

(Icons related to subjects appear on full screen)

00:00:23.500 --> 00:00:24.500

that you want to study.

(Icons related to subjects appear on full screen)

00:00:26.020 --> 00:00:28.010

You may be studying qualifications like

00:00:28.500 --> 00:00:29.500

GCSE's

(3 graphic with GCSE's, BTEC and Entry Level Awards)

00:00:30.000 --> 00:00:31.000

BTECs

(3 graphics with GCSE's, BTEC and Entry Level Awards)

00:00:31.000 --> 00:00:33.019

or Entry Level awards

(3 graphics with GCSE's, BTEC and Entry Level Awards)

00:00:33.200 --> 00:00:35.022

Choosing subjects means you are

(Graphic of young person)

00:00:35.022 --> 00:00:39.000

starting to take control of your future.
(Graphic of young person)

00:00:40.040 --> 00:00:42.070

Whilst you can drop studying some subjects,
(Icons related to subjects appear above young person. Some icons drop off)

00:00:42.025 --> 00:00:44.000

there are other subjects
(Icons related to subjects appear above young person)

00:00:44.000 --> 00:00:45.029

that you must keep studying.
(Icons related to subjects appear above young person)

00:00:46.018 --> 00:00:48.000

These are:

00:00:48.030 --> 00:00:50.000

English
(Icons related to subjects appear above young person. Letter E highlighted)

00:00:50.000 --> 00:00:52.000

Maths
(Icons related to subjects appear above young person. Calculator graphic highlighted)

00:00:52.000 --> 00:00:54.000

Science
(Icons related to subjects appear above young person. Science graphic highlighted)

00:00:54.000 --> 00:00:58.000

Welsh first language (in Welsh medium schools)
(Icons related to subjects appear above young person. Cymraeg #1 graphic highlighted)

00:00:58.000 --> 00:01:02.000

Welsh second language (in English medium schools)
(Icons related to subjects appear above young person. Cymraeg #2 graphic highlighted)

00:01:03.030 --> 00:01:07.000

In some schools other compulsory subjects include;

00:01:07.000 --> 00:01:09.000

Religious Education
(Icons related to subjects appear above young person. Holy book graphic highlighted)

00:01:09.010 --> 00:01:10.010

Welsh Baccalaureate

(Icons related to subjects appear above young person. Welsh Bacc icon graphic highlighted)

00:01:10.010 --> 00:01:12.010

Information Technology

(Icons related to subjects appear above young person. Computer screen graphic highlighted)

00:01:12.010 --> 00:01:15.000

and Physical Education

(Icons related to subjects appear above young person. Stopwatch graphic highlighted)

00:01:15.010 --> 00:01:18.010

You'll get important skills by doing these subjects

(Graphic of young person)

00:01:18.010 --> 00:01:21.010

to prepare you for the future and for many jobs.

(Graphic of young person with thinking bubble)

00:01:21.010 --> 00:01:22.020

Skills like:

00:01:22.020 --> 00:01:26.010

Communication

(Graphic of young person with thinking bubble and speaker phone)

00:01:26.010 --> 00:01:28.160

Critical thinking

(Graphic of young person with thinking bubble and cogs turning)

00:01:28.160 --> 00:01:31.020

Literacy

(Graphic of young person with thinking bubble and books)

00:01:31.020 --> 00:01:33.020

Numeracy

(Graphic of young person with thinking bubble and numbers)

00:01:33.020 --> 00:01:35.020

Problem solving

(Graphic of young person with thinking bubble and maze)

00:01:35.020 --> 00:01:37.020

Planning and organising

(Graphic of young person y with thinking bubble and calendar)

00:01:41.060 --> 00:01:44.110

Optional subjects are the ones you get to choose.

(Graphic of school and text 'Optional Subjects' in cloud above)

00:01:44.200 --> 00:01:48.010

You will study these alongside the compulsory subjects.

(Graphic of school and text 'Optional Subjects' in cloud above)

00:01:49.000 --> 00:01:51.200

Your school will give you the list of subjects

(Graphic of school and text 'Optional Subjects' in cloud above)

00:01:51.200 --> 00:01:54.160

that are available and how you can choose.

(Graphic of school and text 'Optional Subjects' in cloud above)

00:01:55.110 --> 00:01:59.060

You may get offered one choice of each of these areas:

(Graphic of school and text 'Optional Subjects' in cloud above)

00:01:59.070 --> 00:02:07.300

Arts & Creative (like Art and Design, Music, Dance, Drama and Media Arts)

(Graphic of school and board popping up with 'Arts and Creative')

00:02:07.300 --> 00:02:14.240

Design and Technology (like Design Technology, ICT or Electronics)

(Graphic of school and board popping up with 'Design and Technology')

00:02:14.240 --> 00:02:20.270

Humanities (like Religious Education, History and Geography)

(Graphic of school and board popping up with 'Humanities')

00:02:20.270 --> 00:02:26.080

Modern Foreign Languages (like French, Spanish or German)

(Graphic of school and board popping up with 'Modern Foreign Languages')

00:02:30.000 --> 00:02:34.010

When you've received the information from your school make sure you:

(Graphic of young person walking past school with paper under the arm)

00:02:35.010 --> 00:02:39.010

Understand what you need to do

(Graphic of young person walking past school with paper under the arm)

00:02:39.010 --> 00:02:42.220

Know what choices you can make

(Graphic of young person standing next to a notice board with list and ticked boxes)

00:02:42.220 --> 00:02:46.130

Are aware of the date when you need to decide by.

(Graphic of young person standing next to a notice board with a calendar)

00:02:51.000 --> 00:02:54.000

Remember Careers Wales are here to help you

(Careers Wales logo)

00:02:54.000 --> 00:02:56.010

with discussing your career choices

(Careers Wales contact details – courses and training typed into search box, careerswales.gov.wales, 0800 028 4844, webchat icon, post@careerswales.gov.wales)

00:02:56.010 --> 00:02:58.010

Find out more about your subject options

(Careers Wales contact details – courses and training typed into search box, careerswales.gov.wales, 0800 028 4844, webchat icon, post@careerswales.gov.wales)

00:02:58.010 --> 00:03:04.040

by visiting courses and training on careerswales.gov.wales

(Careers Wales contact details – courses and training typed into search box, careerswales.gov.wales, 0800 028 4844, webchat icon, post@careerswales.gov.wales)

00:03:04.290 --> 00:03:07.010

You can speak to a careers advisor by telephoning

(Careers Wales contact details – courses and training typed into search box, careerswales.gov.wales, 0800 028 4844, webchat icon, post@careerswales.gov.wales)

00:03:07.010 --> 00:03:11.050

0800 028 4844

(Careers Wales contact details – courses and training typed into search box, careerswales.gov.wales, 0800 028 4844, webchat icon, post@careerswales.gov.wales)

00:03:11.050 --> 00:03:13.020

Having a Webchat discussion

(Careers Wales contact details – courses and training typed into search box, careerswales.gov.wales, 0800 028 4844, webchat icon, post@careerswales.gov.wales)

00:03:13.020 --> 00:03:18.020

or, email post@careerswales.gov.wales

(Careers Wales contact details – courses and training typed into search box, careerswales.gov.wales, 0800 028 4844, webchat icon, post@careerswales.gov.wales)

00:03:18.020 --> 00:03:20.050

Also, you can join us on social media

(Careers Wales contact details – courses and training typed into search box, careerswales.gov.wales, 0800 028 4844, webchat icon, post@careerswales.gov.wales, facebook, twitter, Instagram, youtube, Linked In icons)

00:03:20.050 --> 00:03:24.050

Facebook, Twitter, Instagram, YouTube and LinkedIn
